December 22, 2017 – Vancouver, British Columbia – Marlin Gold Mining Ltd. (TSX-V: MLN) ("Marlin") and Sailfish Royalty Corp. (TSX-V: FISH) ("Sailfish") are pleased to announce that they have completed the previously announced plan of arrangement under the *Business Corporations Act* (British Columbia) (the "Arrangement") with Marlin's securityholders effective as at 12:01 a.m. (Vancouver time) (the "Effective Time") on December 22, 2017 (the "Effective Date"), as well as the concurrent acquisition by Sailfish of a 3.5% royalty (the "TZ Royalty") on revenues derived from the sale of gold on Eldorado Gold Corp.'s advanced stage Tocantinzinho gold project (collectively, the "Transactions").

Board and Management of Sailfish

Pursuant to the Arrangement, Sailfish, previously a wholly-owned subsidiary of Marlin, has been spun-out to Marlin's shareholders. Sailfish's board of directors is comprised of Alessandro Palladino, Walter Reich, Michael Starogiannis and Cesar Gonzalez, and its executive team is comprised of Akiba Leisman, Chief Executive Officer, Peter Van Zoost, Chief Financial Officer, and Cesar Gonzalez, VP Corporate Development. A summary of the experience of each Sailfish director and officer is available in Sailfish's Form 2B listing application dated December 15, 2017, available on its SEDAR profile at www.sedar.com. Marlin's board of directors and executive team remains unchanged.

Overview of Transactions

Pursuant to the Arrangement, among other things: (i) each common share of Marlin outstanding at the Effective Time (each, an "Old Marlin Share") has been exchanged for 1 new common share of Marlin (a "New Marlin Share") and, subject to rounding of fractions, 0.2 of a common share of Sailfish (each whole common share of Sailfish, a "Sailfish Share"); (ii) the Old Marlin Shares have been cancelled; (iii) each option to acquire Old Marlin Shares outstanding at the effective time of the Arrangement has been exchanged for 1 option to acquire a New Marlin Share and 0.2 of an option to acquire a Sailfish Share; (iv) the options to acquire Old Marlin Shares have been cancelled; and (v) Sailfish and Marlin will now operate as two separate public companies, with Sailfish operating as a yield-focused royalty company and Marlin operating as a growth-oriented gold and silver mining company focused on the Americas.

Concurrently with the Arrangement, Sailfish completed the previously announced acquisition of the TZ Royalty from two individuals (the "TZ Royalty Vendors") in exchange for US\$6.5 million in cash and the issuance of an aggregate of 4,059,923 Sailfish Shares (the "TZ Shares") to the TZ Royalty Vendors. The TZ Shares are subject to a four month and a day hold period, which will expire on April 23, 2018.

Immediately following the completion of the Transactions, there are 38,373,566 Sailfish Shares issued and outstanding. Shareholders of Marlin at immediately prior to the Effective Time received an aggregate of 89.42% of the outstanding Sailfish Shares and the TZ Royalty Vendors were issued an aggregate of 10.58% of the outstanding Sailfish Shares.

Akiba Leisman, CEO of Sailfish states, "the closing of this arrangement is the culmination of over three years of effort to create significant value for Marlin's shareholders through the creation of a separate, publicly traded royalty company. Now that this transaction is closed, we will continue to create substantial value at Sailfish through accretive royalty acquisitions on assets that Marlin currently owns as well as third party projects and mines."

TSX-V Approval and Listing

The TSX Venture Exchange (“TSX-V”) has provided conditional acceptance of the Transactions, including the listing of Sailfish as a Tier 2 Investment Issuer on the TSX-V. The Sailfish Shares were listed on the TSX-V today under the symbol “FISH” and immediately halted, with trading expected to commence pending receipt by the TSX-V of Sailfish’s final submissions in connection with the completion of the Arrangement. Sailfish expects that the Sailfish Shares will commence trading on the TSX-V on or about December 29, 2017.

Further details regarding the Arrangement are contained in Marlin’s management information circular dated November 15, 2017, which is available on Marlin’s SEDAR profile at www.sedar.com.
